Abstract of Grant

Please summarize your project in 200-250 words below or on a word document.

The Foundation *for Excellence in Education in Easton*
Grant Application Form

Section II

Details of Proposed Project

On a separate sheet of paper, please type the details of your grant proposal, making sure to include each of the areas below. Please label each paragraph accordingly, and use 12 pt. Times New Roman font. Make sure to include your name and project name at the top of each page, should you need more than one. Please be as thorough as possible, as this aides FEEE in the selection process.

I. Details of Proposed Project

- A. Educational goals
- B. Specific target audience
- C. Groups or people involved
- D. What the lesson(s)/project involves
- E. When and where the lesson(s)/project will take place
- F. How you will implement the lesson(s)/projects

II. Benefit to Easton Public Schools

- A. Why should FEEE fund this request?
- B. How will students benefit? How many students will benefit?
- C. How can other departments/grade levels/classrooms benefit from this grant?
- D. Are materials to be purchased consumable, or can they be used in the future?

III. Implementation and Evaluation

- A. What is the lesson(s)/project start and completion date?
- B. How and when will you measure the lesson(s)/project success?

IV. Details of Funding Requested

- A. Please list each item you wish to purchase, the specific cost for each item, and where you will purchase each item.
- B. Please describe any additional sources of non-FEEE funding you expect or have requested (from PAC's, etc.)

V. Any Additional Comments
